

INTRODUCING...

# MIDWEST METROLOGY

<http://www.midwest-metrology.com>

For all your repair and calibration needs.

## Specializing in On-Site Calibration Services

### Repair Services

- Standard repair turnaround - 2 weeks
- Maximum \$25.00 estimating fee
- (waived if repair approved)
- Emergency service is available (Prior notification is required)
- Over 20 years of technical expertise

### Calibration Services

- Standard calibration turnaround - one week
- Expedited service is available
- Calibration to manufacturer's specifications with a calibration sticker affixed to unit
- Certificate of Calibration provided
- Incoming and Outgoing Data as requested
- "Special" / "Limited" Calibrations

**Pick-up & delivery within 50 miles of Dayton**

## CALIBRATION CAPABILITIES...

| <u>ELECTRICAL</u>           | <u>PHYSICAL/MECHANICAL</u>               | <u>OTHERS</u>                     |
|-----------------------------|--|-----------------------------------|
| DMMS                        | MICROMETERS/ CALIPERS                    | FORCE GAUGES/LOAD CELLS <10k lbs. |
| OSCILLOSCOPES               | DIAL INDICATORS                          | THERMOCOUPLE WIRE/PROBES          |
| CLAMP-ON METERS             | HEIGHT GAGES                             | OVENS                             |
| MEGOHMMETERS                | STEEL RULES                              | HUMIDITY SENSORS                  |
| SIGNAL/FUNCTION GENERATORS  | LEVELS                                   | VOLTAGE CALIBRATORS               |
| FREQUENCY COUNTERS          | COATING THICKNESS GAUGES                 | CURRENT CALIBRATORS               |
| POWER FACTOR METERS         | TORQUE to 250 FT/LBS                     | TEMPERATURE CALIBRATORS           |
| RESISTANCE DECADES          | PRESSURE GAUGES/TRANSDUCERS to 10,000PSI | MULTI-FUNCTION CALIBRATORS        |
| ANALOG/DIGITAL PANEL METERS | DUROMETERS                               | ESD DEVICES / ION BLOWERS         |
| HYPOTS / HV TESTERS         | VACUUM GAUGES/TRANSDUCERS                | INFRARED THERMOMETERS             |
| WATT METERS                 | SCALES/BALANCES                          | National Instruments' DAQ cards   |

This list represents only a partial listing of capabilities

Please call to discuss ISO/IEC17025 certification capabilities

### Quality Services

- All Calibration Traceable to N.I.S.T.
- ISO9000 Compliant Quality System
- Calibrations performed in compliance with ISO/IEC-17025, ISO10012, ASQ/ANSI-Z540

\*\*\* CUSTOMIZED CALIBRATION PROGRAMS AND CONTRACTS AVAILABLE \*\*\*

**CALL TODAY TO DISCUSS THE COST SAVING BENEFITS OF MIDWEST METROLOGY!**
